KEYNOTE SPEAKER ROBERT TIMMONS

Release. Repeat. Return.

A keynote on mentorship and giving first. Robert shows your audience how to put value into the stream, keep doing it until it becomes a habit, and recognize what flows back.

Release. THROUGH A PERSON

The best givers go first, and they don't wait to be thanked.

Let go of what you know, what you have, and who you know, to lift someone toward their next level.

Repeat. THROUGH PAGES

One gift is a gesture. A habit is a stream.

Fill yourself with the right ideas, then give on a schedule instead of a mood.

Return. THROUGH PEOPLE

What comes back is bigger than what you aimed at.

Skills, open doors, and connections arrive from places no one planned, along with a return that is not on the list.

20 MIN

The core keynote. Tight and story-led, with the full arc of all three steps.

45 MIN

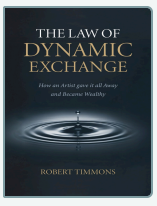

The extended keynote. Deeper stories plus a live exercise: every attendee names their Person, People, and Pages.

Both leave room for questions. Stories are tuned to your room. Built for associations, sales and leadership teams, mentorship programs, and youth and entrepreneur groups.
